# UNITED STATES

## **Two coasts. One American summer.**

New York never sleeps. Los Angeles lives outside. This year you can do both kinds of United States: skyline and subway on the East Coast, ocean and Hollywood light on the West.

In New York, study at Pratt in Brooklyn, The City College of New York, or Columbia. Catch Broadway, see the Statue of Liberty, walk Times Square and Central Park, and take the city as your classroom.

In Los Angeles, study at Pepperdine in Malibu, above the Pacific. Spend the rest of the day on the coast and in the city, Santa Monica, Venice, Beverly Hills, the Walk of Fame, with longer trips toward San Diego or the desert.

With Xplora, your US summer is English lessons plus two iconic American cities.
